

Signature Branding Package

Full Brand Identity

Elevate your business with this branding suite. Commonly referred to as my full branding package, this suite goes far beyond just a logo. This package will provide you with a thoughtfully crafted brand identity, that you can use across all elements and platforms. Ideal for businesses ready to make a lasting & professional impression.

✔ **What's Included:**
An initial consultation / meeting for me to learn about you and your business, unraveling your vision and expectations for your logo and future branding.

✔ A package of professional high quality vector files including:

- Main Logo Design
- Secondary / Alternative Logo
- Icon or Illustration Design
- Brand Pattern
- Color Palette
- Fonts & Typography

✔ All Color variations available
(ex. White version, black version & full color)

✔ All commonly used, relevant and requested files of your logo
(ex. Ai, JPEG, PNG Files)

✔ Two revisions for refining your logo, accommodating any adjustments or edits you may wish to make.

✔ Peachy Designs Brand Guidelines booklet for information on your new designs, files and how and where to use them correctly.
